

The first decade of the “new” millennium brought about big changes and important innovations. Consider digital TV, Facebook, high speed Internet, YouTube, the iPad and much more ...

We can hardly imagine what the upcoming new year, let alone next decade, will bring. Here's a toast to new innovations ahead. We wish you and all your loved ones a happy and healthy 2011.

Merry Christmas and a Happy New Year,

Martine Tempels
Sr VP Telenet Solutions
