

Empowering Visionaries All Year Long

Add a period.

The National Black MBA Association® with 50-plus professional chapters

Add dash.

The word "opportunities" is used twice too closely to one another. Perhaps change the last instance to possibilities.

lifestyle-enhancement opportunities across a comprehensive calendar of national and local opportunities.

----->
Re-write this paragraph. We empower visionaries: by partnering strategically with companies like yours to support your corporate goals and ideals, retaining and attracting outstanding talent and business associates, creating powerful alliances with diverse suppliers and uncovering new customers and markets.

We empower visionaries: partnering strategically with companies like yours to support your corporate goals and ideals; retain and attract outstanding talent and business associates, powerful alliances with diverse suppliers and uncovering new customers and markets.

There are many rewarding ways to engage with the NMBBAA®. We offer varying levels of participation, from underwriting to strategic partnerships and sponsorships, helping you customize the best plan for reaching your goals. Change to: we help.

Your Vision. Our Solutions

Add a period.

Our members are your employees, managers and executives, working diligently to effect positive transformation in your businesses by leveraging our educational tools, career guidance and unique alignment of public service with corporate goals.

Reciprocate. Demonstrate your company's commitment to them, and to overall diversity in general, by partnering with the NMBBAA®, elevating your brand while cultivating your most powerful asset: your people.

Utilize this kit to gain an understanding of our spectrum of opportunities and to begin your planning. Then work directly with your NMBBAA® contact to transform your vision into activation.

Our goal is to become and remain your strategic partner of choice, offering you resources tested by time, focused on the future, and to our members' career and life success.

Omit comma.

Change to careers.
