

We Wanted to Say Thank You.

Starting October 1 through December 14, 2007 whenever you use your Commerce Bank credit card you'll be earning a holiday season reward!

It's easy to earn and you don't have to do anything to enroll. Just use your card and we'll do the rest.

Here's how it works.

If you spend between \$3,000 and \$3,999.99 by December 14, 2007 Commerce will post a one-time credit to your account for \$30 that will show on your next statement. And the best part is you can earn an additional \$10 for your credit for every \$1,000 in spend **up to \$50!**

The more you spend on everyday items like groceries and gasoline, the more you'll get back on your statement. No gimmicks, no restrictions. Use your card and earn rewards. It's that easy.

We hope you enjoy this special offer. Please give us a call if you need any help with a credit card related issue, a credit line increase or any other questions. We can be reached at 800-XXX-XXXX.

This special offer expires December 14, 2007.
