Manufactured Assemblies Corp. Celebrates 30th Year

DAYTON, OHIO – Manufactured Assemblies Corporation (MAC) is pleased to announce 30 years in the business today. A proven worldwide manufacturer of electronic and mechanical assemblies, MAC is also a value added reseller of international products.

“I guess 30 years in business and being an Electronic Business News Top 100 Contractor four years in a row must make us world class,” said Ken DiFranco, Regional Business Manager. “Once you work for us or partner with us, it seems to be a life-long decision.”

By providing cable assemblies, wire harnesses, electronic and mechanical assemblies and PC board assemblies to our customers, MAC strives to deliver the tools and resources for our associates to grow their business. Established in 1976 with offices in Dayton, OH and Suwanee, GA, MAC is focused on such industries as:

- *Telecommunications
- *Data and Retail Systems
- *Aerospace
- *Military
- *Industrial
- *Medical

As in the past, MAC continues to place the utmost importance on quality, safety and service. As an ISO9001-2000 certified company, MAC will aim to achieve a level of excellence to meet and surpass the needs of customers both local and global.

Contact MAC today to set up a consultation with one of our experts. See why we are "A Proven Worldwide Contract Manufacturer." Forming long-lasting partnerships with other industry leaders is the reason MAC has been able to attain success in the past. And will continue to do so in the future.
